

## THREE HELD IN LIQUOR CASES

James Cranley Held for Transporting Whiskey After Being Found With 42 Quarts

### CAR BELONGS AT SOUTH BEND

Frank Whitton and John Ricker Arrested for Public Intoxication Sunday Afternoon

Liquor law violations caused considerable disturbance over the week end, and which resulted in three arrests, and the confiscation of 42 quart bottles of Canadian whisky and an automobile used in transporting the liquor.

Those arrested were James Cranley, of Indianapolis, formerly of this city, Frank Whitton and John Ricker, both of this city.

An automobile, with the certificate of title showing it belonged to the "U-Drive-It Company", South Bend, is being held by the officers in connection with the arrest of Cranley. The other two men were charged with being intoxicated, and will be arraigned in police court.

The machine belonging to the South Bend firm was parked in East Second street, on the north side of the court house about 11 o'clock Saturday night. Cranley was said to have been intoxicated and was at the wheel of the machine, and caused suspicion because of his actions.

Two others were seen about the machine, one a local man, who escaped.

Clyde Kitchen, captain of the Anderson township branch of the horse thief detective association, was passing and noticed the machine, and he went over to arouse Sheriff Hunt. While he was gone, the matter was called to the attention of Police Chief Blackburn and he reached the machine and placed Cranley under arrest.

An investigation of the machine by the officers revealed 42 quarts of "imported" liquor. Twenty-seven bottles were in one sack and 15 in another, and they were placed in the rear seat. Another bottle was practically empty, from which the three men were suspected of having drunk.

In jail today, Cranley stated that he got with the machine at Indianapolis, and did not know where the liquor came from, and said that he did not know the name of the third person in the party.

The name of the Rushville man was being withheld by the officers, pending his arrest. The officers wired the South Bend firm the fact that the machine was being held, and the owner of the firm which rents machines by the hour, will be here Wednesday.

He told the sheriff over the telephone that it was rented to the Rushville person. The law in such cases provides that the machine containing liquor must be confiscated and sold, and the South Bend firm may experience some trouble in obtaining it.

Frank Whitton was placed in jail Sunday afternoon about four o'clock by Patrolman Lakin and Police Chief Blackburn, having been found near the Trennepoli coal yards intoxicated, according to the officers.

The police also stated that they found a quart bottle of liquor near the place where he was arrested, and a charge of unlawful possession was expected to be filed also.

John Ricker was found by the two police officers on East Second street, near the race bridge, about two hours later, and he was placed in jail on a charge of intoxication. These two men will probably be given a hearing tonight before Mayor Thomas, and the charges against Cranley will be filed in the circuit court.

The police also were called to the South Main street ball park Sunday night, where an alleged party was in progress, and when the police arrived, four men broke several bottles and made their escape down the river.

The names of the men were obtained, the police said, but no arrests were made, and the matter may be investigated.

## LEAVE FOR TRIP TO ALASKA

William Matlock Joins Party of Boys at Detroit for Pilgrimage

William Matlock, son of Mr. and Mrs. E. K. Matlock, of Circleville, who went to Detroit Saturday, expected today to leave with a party of fifty boys for a pilgrimage to Alaska, conducted by George E. Buchanan, a prosperous coal dealer of Detroit.

The party will go by rail to Vancouver and next Monday will board the S. S. Princess Louise for Skagway, Alaska. The Rushville boy is expected back home by the middle of next month. Young Matlock was graduated from the Rushville high school last spring and his father made arrangements for him to take this trip.

Mr. Buchanan was inspired to take the boys on this pilgrimage because of the value of a trip abroad when he was a young man, which was made possible through an offer by a friend to lend him the money.

## ATTORNEY GENERAL TO BE CONSULTED

Horse Thief Detective Association To Seek Opinion Regarding Bonds For Constables

### QUESTION RAISED AT MEETING

The Rush county company of the National Horse Thief Detective association decided, at a meeting in the court house Saturday night, to ask the attorney general of Indiana for an opinion regarding the ruling of the court attorney here, which interpreted the law to mean that members of the association appointed constables should provide bond.

Some doubt was expressed today whether the attorney general would give the local association an opinion, because under the law, he is required to give interpretation of laws only on request of state officials.

The county attorney, who is the legal advisor of the county board of commissioners, several weeks ago told the commissioners that members of the horse thief association who were appointed constables should give bond. He held that the same law applied in the case of constables who are appointed as in the case of those who are elected. Appointment of a large number of members at that time was withheld.

It is pointed out in the court house that if this is the law, scores of members who have been appointed constables are acting illegally until they provide bond.

## SEVEN DEAD AND 18 INJURED, SUNDAY TOLL

Three Are Killed At Grade Crossing In Fort Wayne And Two Lose Lives At Evansville

### ONE DEAD IN INDIANAPOLIS

Indianapolis, Ind., July 9.—A toll of 7 dead and 18 injured was taken by Sunday automobile accidents in Indiana.

At Fort Wayne a passenger train speeding sixty miles an hour struck an auto at a grade crossing, killing three persons and probably fatally injuring another.

The auto was hurled two hundred feet by the impact of the speeding train. Benjamin Ridder, his wife and her father, Earl Garrellin, Chicago, were killed instantly. Evelyn McCloskey, 3 years old, a niece of Mrs. Ridder, suffered injuries which physicians believe will prove fatal.

Two men were killed at Evansville when an auto crashed into a bridge. Dr. J. D. McCann, Monticello physician, was killed when his auto plunged over an embankment as he was returning from a professional call.

Clinton Williams, Indianapolis business man, died from injuries received when his automobile overturned on a city street.

Several persons were injured in minor auto accidents.

## SOME ALASKAN PICTURES YOU MAY EXPECT TO SEE SOON

## BOUGHT HER NO CLOTHING

Mrs. Leota Readle Files Suit For Divorce From Roy Readle

Alleging that her husband purchased no clothing for her whatever during their married life, Mrs. Leota Readle, 233 West First, has filed a suit for divorce in the circuit court from Roy Readle.

The complaint alleges that they were married in 1918 and separated in May of this year, and that he failed to provide. She also charged in the complaint that he failed to provide a home of their own this year, that he cursed her and was guilty of immoral conduct.

The case will be docketed for a hearing in the early part of the September term of court.

## CONTINUE NORTHWARD JAUNT ALONG COAST

Pres. Harding and Members of His Party to Visit Wrangell and Juneau, Alaska Next

### INDIANS IN PLEA TO HARDING

By LAWRENCE MARTIN (U. P. Staff Correspondent)  
With President Harding, Ketchikan, Alaska, July 9.—President Harding and members of his party today continued their northward jaunt along the coast of Alaska.

Wrangell and Juneau were the next two points to be visited.

Already Harding has gained an idea of conditions in sections of the territory which he could not have obtained otherwise. His first contact with Alaskan problems brought him a plea from the Indians for the abolition of exclusive fishing rights of canneries, which set traps in the creeks at Metlatlat, a fishing village, which the party visited yesterday, the first stop on the trip.

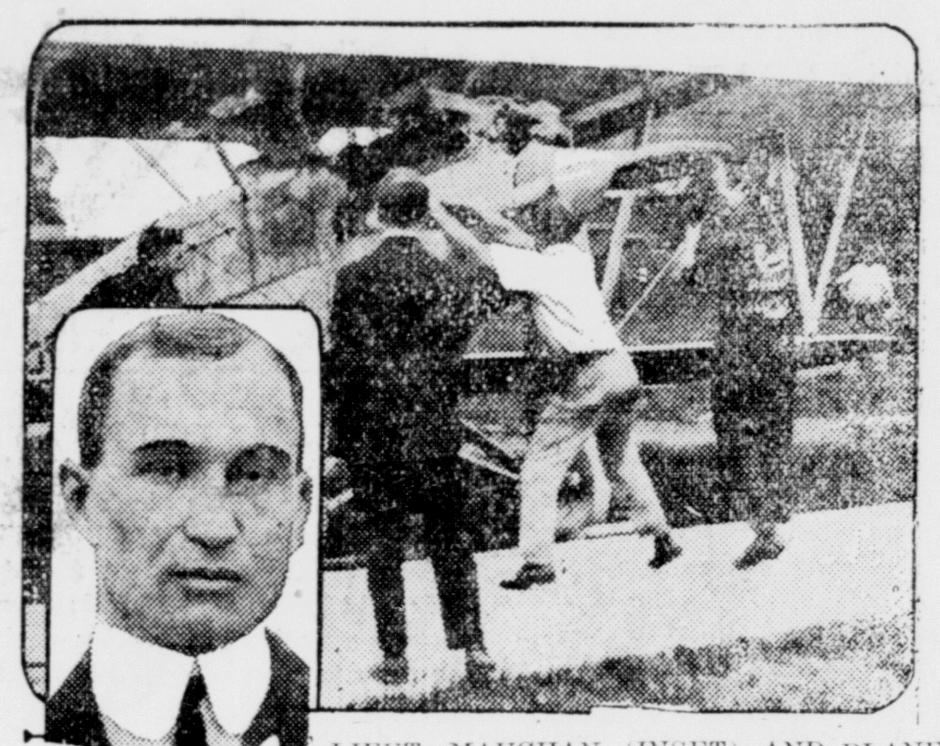

George Alexander, an aged Indian, voiced the plea of his people to the president. The Indian girls got the president to pose for a picture and held some exercises to show their accomplishments.

During the day, Mr. and Mrs. Harding celebrated their thirty-sixth wedding anniversary, receiving the congratulations of members of the party.

### FRENCH RATIFY TREATY

Paris, July 9.—Without reservations, the French chamber of deputies ratified unanimously today the Pacific accord signed at Washington November 1921 by Britain, France, Japan and the United States.

## LIEUT. MAUGHAN, DAWN TO DUSK FLIER FORCED DOWN IN MISSOURI

(By United Press)

St. Joseph, Mo., July 9.—Lieut. Russell Maughan, attempting a dawn-to-dusk flight, was forced down today at 1 p. m., ten miles northeast of St. Joseph, due to engine trouble.

In alighting, the landing gear of the light Curtiss pursuit plane was broken and no attempt will be made to complete the flight.

Indianapolis, Ind., July 9.—A small airplane believed to be the Curtiss pursuit plane piloted by Lieut. Russell Maughan on his daylight to dark transcontinental flight was sighted flying over the center of Indianapolis at 9:20 o'clock this morning.

The plane was flying low at a speed estimated at more than 130 miles. It headed due west from Indianapolis.

McCook Field, Dayton, Ohio, July 9.—Lieutenant Russell L. Maughan completed the first leg of his dawn to dark flight from New York to San Francisco when he landed his little Curtiss pursuit plane here at 9:12 a. m., today.

The aerial speed king was two hours and 27 minutes behind his schedule which called for a landing here at 6:45 a. m.

Maughan's schedule gave him twenty minutes here for re-fueling but he was so far behind that every effort was put in to re-fueling his plane and getting it started for the next stop at St. Joseph Mo.

The distance from Mitchell Field to McCook is 570 miles and Maughan flew it in five hours and four-

teen minutes by his own watch.

Maughan took off for St. Joseph at 9:32 a. m. McCook Field officials said the official time of his arrival here would be recorded at 9:10 a. m.

As the lieutenant stepped out of the cockpit hundreds cheered his arrival and mechanics began pouring in the fuel for the next leg of his flight.

A careful examination showed the little plane had been equal to the first test.

The take off for the west was perfect. The Curtiss "bullet" seemed to hurl itself into the air and disappeared in the distance almost instantly.

Mitchell Field, Mineola, L. I., July 9.—Lieutenant Russell L. Maughan flew with the dawn today headed for the Pacific coast which he hopes to reach before it is sunset there.

The speedy Curtiss pursuit plane in which the army pilot is attempting the first coast to coast "dawn to dark" flight shot upwards from the "drome's" smooth level exactly at 4:58 eastern daylight saving time.

Circling Mitchell Field at a height of about 500 feet it headed westward into the semi-darkness as though fleeing from the first signs of the sun pushing up over the Atlantic.

Favorable weather conditions were forecast.

The plane in which Maughan flew is capable of 172 miles an hour and the airman hopes to average 160. The distance he will cover is approximately 2,570 miles.

Four stops for fuel were on the

## BOARD, COMMITTEES TO MEET

Chautauqua Officials to Make Final Plans For Assembly

The board of directors of the Rush County Chautauqua association, the program committee and other committees will meet at the Farmers Trust company Tuesday evening at seven-thirty o'clock to make final preparations for the annual Rush county chautauqua which will be held in the coliseum at the city park August 5 to 11 inclusive.

One of the problems that the board has to solve is where to locate the fence that always enclose the ground around the coliseum. The fence was taken down by the city council last fall and the association will have to rent a fence this year. It is not expected that so much of the park will be enclosed as formerly, so as to leave most of the playground equipment free for anyone to use.

## BACK FROM YEAR'S STUDY IN EUROPE

Earl Marlatt, Former Rushville Teacher, Had Traveling Scholarship With Boston University

### COMING HERE THIS SUMMER

Earl Marlatt, former Rushville high school instructor, landed Saturday in New York from a year's stay abroad, where he had a traveling scholarship with the University of Boston. Mr. Marlatt will be in Boston for a few days and then will go to Winchester, Ind., for a visit with his mother. He will probably spend some time here this summer.

Mr. Marlatt had the choice of becoming a full time instructor in the theological school of the University of Boston or a part-time instructor with the privilege of finishing his work for a Ph. D. degree, but he has chosen to devote all of his time next year to teaching.

The former Rushville man sailed for Europe the latter part of June 1922, and spent the year studying in France, England and other European countries. The last several weeks before returning to this country, he studied in Oxford.

Mr. Marlatt was free to come and go as he pleased, not being compelled to remain at any university any given length of time. Each foreign professor under whom he studied was asked to make a statement regarding his work to be presented to the University of Boston professors.

## JEW EVANGELIZATION SUBJECT OF SPEECHES

Representatives of New Covenant Mission Speak in Rushville Pulpits Sunday

### SUM OF \$36 IS CONTRIBUTED

The Rev. E. M. McFadden, D. D., executive secretary of the New Covenant Mission of Pittsburg, Penn., and Miss Elsie Wade Stone, extension secretary of the mission, spoke in Rushville pulpits Sunday in the interest of evangelization of the Jews in America, the series of addresses culminating in a union meeting at the Main Street Christian church Sunday evening, when the Rev. Mr. McFadden spoke to an interested audience on "Some Trophies of God's Grace."

Collections taken at the various churches, at which services were in charge of the mission workers, amounted to approximately \$36. Dr. McFadden and Miss Stone came here direct from Pittsburg and returned there today, so that it is doubtful if the free will offering paid their expenses.

Dr. McFadden spoke in the morning at the First United Presbyterian church on "The Children of the Restless Feet" and at the same hour Miss Stone spoke at the First Presbyterian church on "The Christians' obligation to the Jew." At a community service in the afternoon Dr. McFadden spoke on "Lessons From a Storm."

The mission is not supported by any church, but is non-sectarian.

## BODY FOUND IN BASKET ON LAKE

Lifeless Form Of Lieut. L. J. Roth, Missing Balloonist, Located 14 Miles Off Port Stanley

### EXPOSURE CAUSES HIS DEATH

Unidentified Body Found Floating In Lake Near Point Pelee, Ont., May Be His Aid

(Written for United Press)

Point Pelee, Ont., July 9.—The body of an unidentified man was found floating on the Canadian shore here shortly before noon today.

There was some belief that the body was that of Lieut. T. B. Null, missing from the wrecked balloon, A-6689.

The man was dressed in a blue shirt and wore army shoes. He was about five feet, seven inches in height, and from appearances had been in the water about a day and a half, according to authorities who examined the body.

Port Stanley, Ontario, July 9.—Floating in the basket of the ill-fated U. S. balloon, A-6698, the body of Lieut. L. J. Roth was found fourteen miles off Port Stanley at 10 a. m. today.

The body and the basket were found by the Canadian fish boat Onajag.

The body was found in the basket with head and shoulders hanging over the side. The body was clad only in underwear and a life preserver.

Identification was made possible by laundry marks on the underwear. The initials of "L. J. R." stood out plainly. A ring was found on the left hand.

Belief that the men had been able to float away from the balloon, after it settled to the water, was born out by finding the basket.

By Lieut. Roth's body being found with the life preserver, authorities believed they would find that of Lieut. Null, floating somewhere in the vicinity of where the basket was picked up.

There is a possibility that Lieut. Null will be found alive, if he was able to withstand hunger and exposure, authorities said. Although Lieut. Roth's body had not been examined by physicians, it was believed that death came as a result of exposure and hunger, as the head and body were clear of the water.

The men had not eaten since they left Indianapolis, July 4, it was indicated by untouched tubes of food, found in the rigging of the balloon, when it was picked up 25 miles off shore Saturday night by the tug, Frank H. Stanley.

### Fallen Balloon Recovered

Cleveland, July 9.—In a final attempt to find the two missing naval balloonists whose gas bag was found in Lake Erie Saturday, two army aviators started from Glenn L. Martin Field here at 4 a. m. today.

They planned to zig-zag back and forth across the lake to Buffalo and then follow the Canadian shore westward.

They were Sergeant R. C. Mitchell and George Pomeroy, of Selfridge Field, Mount Clemens, Mich., and manned a fast deHavilland scout plane.

The fallen balloon, A-6698, was recovered from the Lake 25 miles southwest of Port Stanley, Ont., Saturday night. Clothing, provisions, instruments and personal effects of Lieutenants L. J. Roth and Telford B. Null, who started in the balloon race from Indianapolis July 4 were found tangled in the rigging.

The non-sinkable passenger basket and life preservers were not found. This fact furnished the one slender hope of the rescuers that the balloonists might still be floating on Lake Erie.

Meanwhile submarine chaser No. 432 was awaiting a crew today to join the search. The eleven passenger hydroplane Nina in Cleveland and her sister ship, the Buckeye at Detroit were prepared to join the search.

### WOMAN TO DIE IN CHAIR

New York, July 9.—Mrs. Anna Buzzi was today sentenced to die in the electric chair for the murder of Fredrick Schneider, wealthy contractor with whom she had lived eight years.

THE WHOLE HEART.—Blessed are they that keep His testimonies, and that seek Him with the whole heart.—Psalms 119: 2.

## Don't Wait on George

This is not a bad community, as communities go. We all admit it and are proud of it.

But there is one fly in the community ointment that prevents us from advancing as rapidly as we should.

Everybody is willing to have things done, but wants to "let George do it," and when George reaches a certain point he balks. He gets tired of carrying the whole load.

What we need is a great spirit of co-operation, a willingness on the part of each one to do his or her share in the advancement of our community interests.

In every community there are always a few who are willing to work for the public good. They are the Georges.

There are also a lot of others who are willing to let them do it. They are not Georges.

Once in awhile we read of some place that keeps booming and showing right along regardless of conditions or handicaps.

Such a place is full of Georges, and because the Georges are so numerous none of them are overworked and there is no occasion for balking. Why can't we all be Georges?

There is room for improvement, and we have plenty of people to be one.

## Showing Their Teeth

Now they are beginning to show their teeth.

Certain foreign governments are beginning to grumble and intimate that grave possibilities will ensue as a result of compelling alien ships to obey our booze laws when they enter American ports.

Are these rumblings veiled threats—an attempt to intimidate the government and people of the United States?

If so, the sooner our government meets the issue head-on the better it will be for us.

We obey the laws of foreign governments when we enter their jurisdiction.

They must do the same when they come within ours.

No backing up for Uncle Sam. His boot is too big.

## Protecting Consumer And Investor

The United States supreme court has recently rendered a decision of great importance as affecting the future development of public utility properties. The opinion establishes the principle that "cost of reproduction at prevailing prices must be considered in fixing rates." This decision more than anything else does away with the bugaboo of watered stock which politicians parade before the people in a vote-getting campaign. When rates are based on the cost of the property, so-called watered stock is automatically eliminated.

To maintain its own financial standing and credit, a utility cannot afford to be loaded with watered stock, for with rates apportioned to the reproduction cost of its plant it cannot pay dividends on money not actually invested. Hence its return to stockholders would be unsatisfactory and it would immediately find itself in difficulties. The supreme court expresses the opinion that it is

impossible to determine a fair return on the investment without considering the reproduction cost at the time on the ground that if present reproduction cost is disregarded, an intelligent forecast of probable future values becomes impossible for estimates for tomorrow cannot overlook the prices of today.

The Turks and the allies are reported to be in complete accord. But no telling what tomorrow's cables may bring.

Lots of folks get away from the old grind by buying a new set of false teeth, but even that foots up like a week at the lakes.

P. T. Barnum made that famous remark even before the summer resort folder was in vogue.

## PLAN A ROUSING MEETING

Odd Fellows to Install Officers and Receive Candidates Wednesday

Arrangements are being made for a rousing meeting by Franklin lodge No. 35 I. O. O. F. next Wednesday evening when the officers for the term are installed and candidates will also be received at the same time.

The Rev. Gibson Wilson, pastor of the First Presbyterian church, will transfer his membership here from Bremen, Ohio and it is expected that he will address the lodge during the evening. Mr. Wilson has been an active worker in the order in Ohio and has held the office of Grand Chaplain of that state.

Plans for the fall work will be discussed and every member is being urged to attend. A committee on refreshments will look after that feature of the program.

FIFTEEN YEARS  
AGO TODAY

From The Daily Republican  
 Thursday, July 9, 1908

Harry Striker of South Harrison street, a freight conductor on the I. & C. line, suffered a mashed foot while loading freight, a heavy truck falling on him. He will be laid up for several days.

A severe attack of old fashioned, green apple cramps was all that saved the family of Joseph Lakin of West Water street from being burned alive at an early hour this morning. Where Lakin had partaken heavily of the children's forbidden fruit during the evening and as a result awoke at two o'clock this morning, giving a yell that aroused the entire household. Mrs. Lakin was the first to leave her bed and was horrified to find the room filled with smoke. Her husband arose and fighting his way through the room made an effort to locate the fire while the mother attended the child. It was found that the contents of an old bureau was all in flames and on opening one of the drawers flames several feet in length shot out. It required some effort to extinguish the fire. All are laid in their praise of the green apples today.

While swinging a stick at play Miss Jessie Anderson, a popular young lady living south of this city, accidentally struck herself in the right eye yesterday afternoon.

and for a time it was thought her eyesight was ruined. However, it causes her much pain and it will be sometime before she recovers from the accident.

Nobody was more alarmed this morning than Cyril Caron, the little son of Mr. and Mrs. Charles Caron of North Perkins street, when he turned in the fire alarm and saw people running and shouting and vehicles of all sorts, including the fire department wagon racing to the spot where he was standing. For some reason or another the alarm box on the corner of Perkins and Second streets had been left open for several days. It was the most natural thing in the world for a young American to experience an impulse to pull "that" little lever which causes the fire bell to ring. Answering the curious call in his heart Cyril did pull it and on hearing the bell ring a smile of satisfaction beamed on his countenance. But when the people began to run and hurry to an fro the lad was perplexed. The boy never said a word. He just stood and looked first at one group and then another. The last seen of him he was going in his home with his hat off, head drooped and the words of a mother ringing in his ears: "You're a bad boy and you will have to stay in the house the rest of the day."

Mr. and Mrs. Robert E. Mansfield who have been located at Lucerne Switzerland, have sailed for the States on the Steamship, St. Louis which is scheduled to arrive in New York Saturday. Mrs. Mansfield will come to Rushville and Mr. Mansfield

who has been transferred in the consular service, will attend to official business and after a brief visit will return to the old country.

Claude Cambern and Albert Winship formed a squirrel hunting party at the Omer Stevens farm, south of this city, today.

## A GOOD FRIEND

A good friend stands by you when in need. Rushville people tell how Doan's Kidney Pills have stood the test. John Heany of 616 W. 3rd St., Rushville, endorsed Doan's many years ago and again confirms the story. Could you ask for more convincing testimony?

"I had trouble with my kidneys and the secretions passed too frequently and I had to get up several times during the night," says Mr. Heany. "It was painful to pass the secretions which were highly colored and contained sediment. My back was weak and lame. I got a box of Doan's Kidney Pills at Johnson & Co.'s Drug Store and they relieved me." (Statement given August 25, 1915.)

On November 4, 1920, Mr. Heany added: "I still have the same high opinion of Doan's Kidney Pills. I use them occasionally and always get the same results."

60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

TRACK AND FIELD  
EVENTS—WRESTLINGNOTED STARS TO  
PLAY IN TOURNEYWilliam T. Tilden and John Hennessey  
Scheduled For First Matches  
in Clay Court Play

## OPENS IN INDIANAPOLIS

Woodstock Courts Are in Excellent  
Condition, With Entry List Large  
on Record

(By United Press)

Indianapolis, Ind., July 9—With William T. Tilden and John Hennessey scheduled to play in the first matches of the tournament, the thirtieth annual clay court tennis championship tourney was to start at the Woodstock courts this afternoon.

Tilden will meet Claude Watkins of Louisville in the first match, while Hennessey will meet T. Eggman of St. Louis in the second event.

The keenest competition of the afternoon card is expected when J. B. Adoue, Jr., of Texas and Gerald Emerson of Milwaukee, meet.

The Woodstock courts are in excellent condition. Teams from Louisville and Cincinnati arrived early and tried out the court yesterday afternoon.

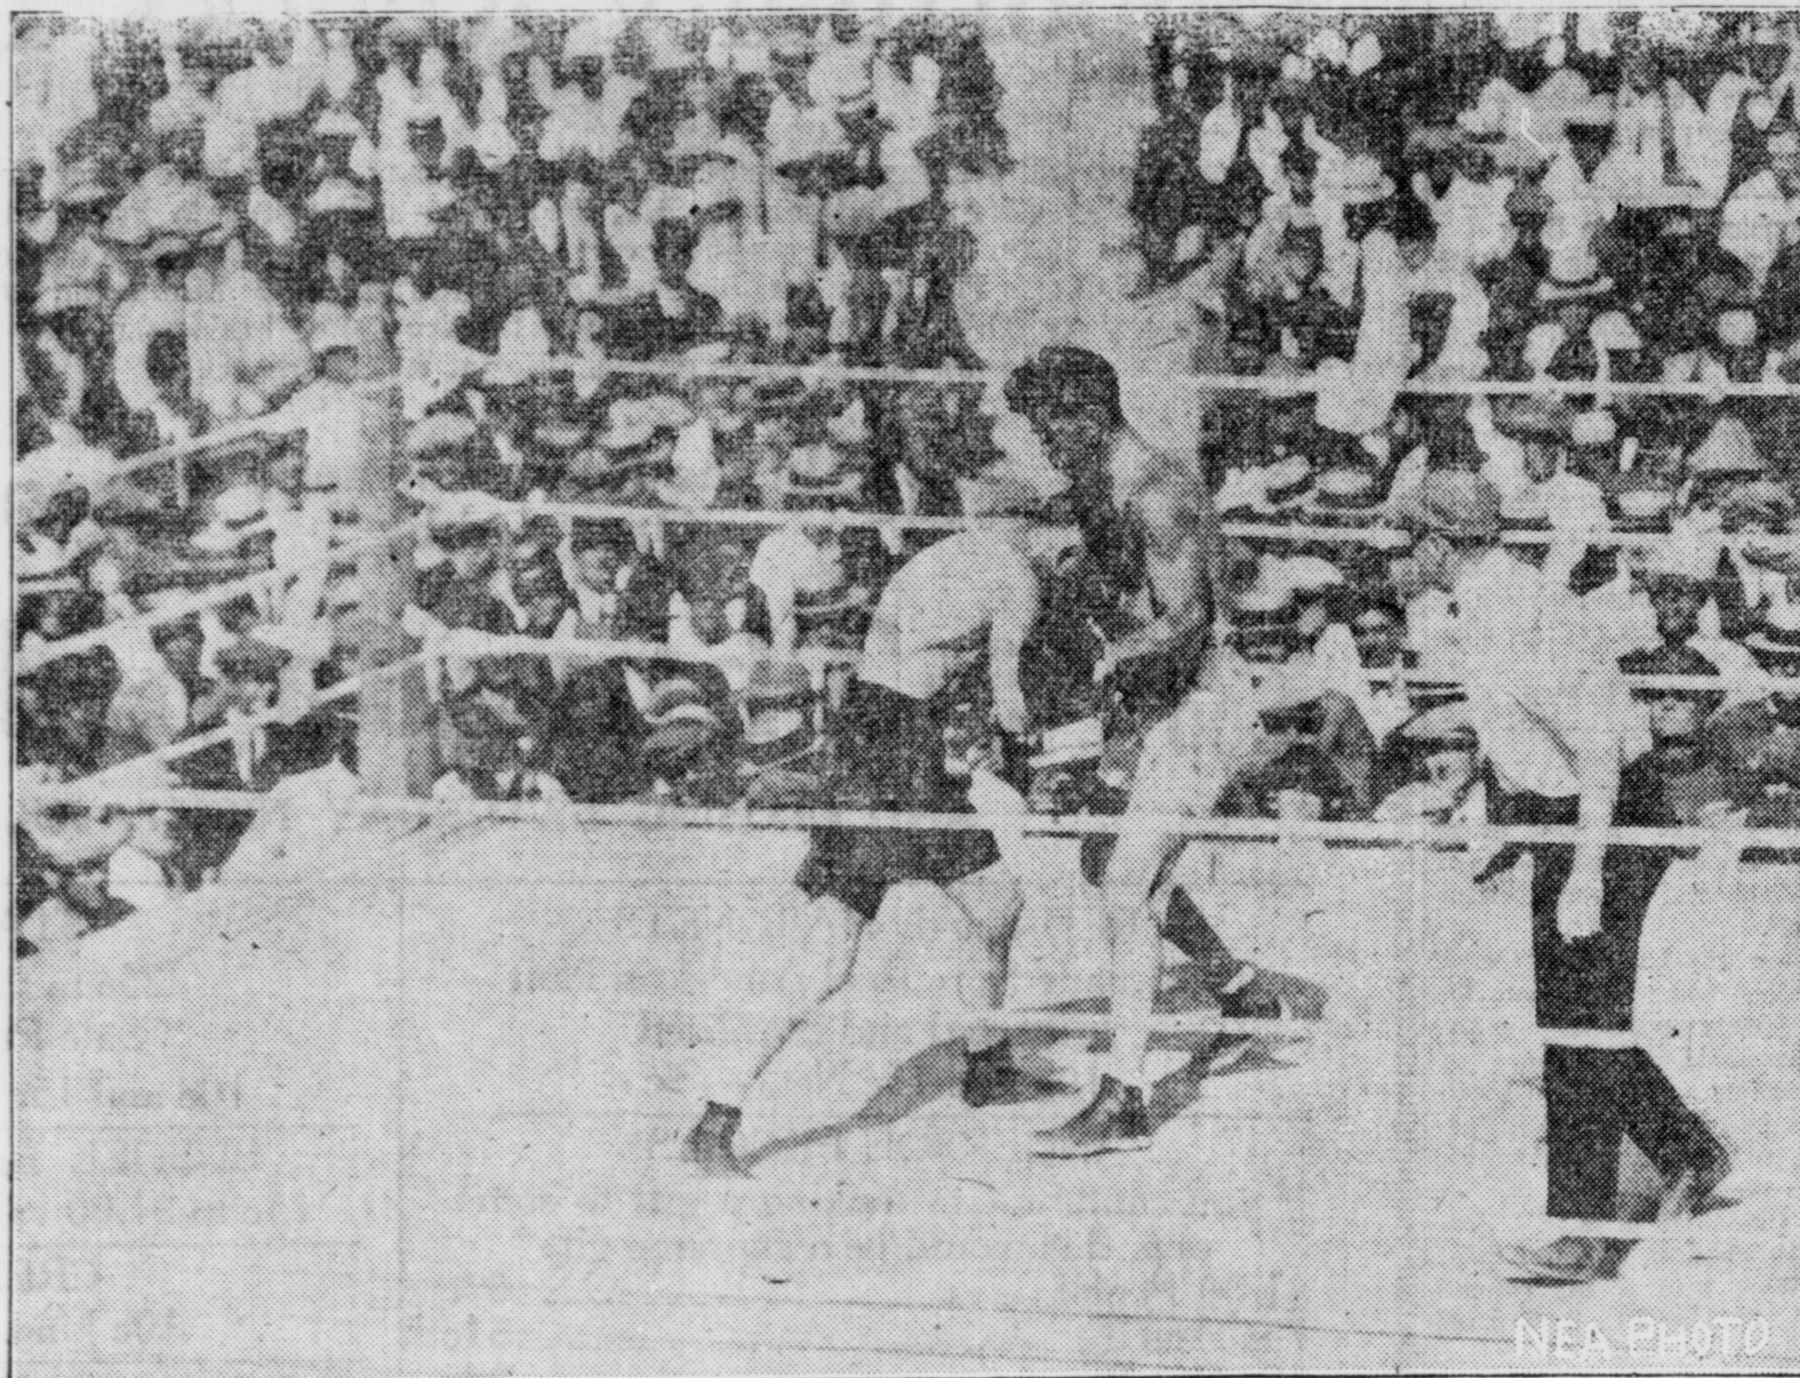

The entry list for the tournament is the largest a national clay tourney committee has ever had to draw from for first round matches.

The list of matches for this afternoon's play follow:

2 P. M.

William T. Tilden vs Claude Watkins, Louisville; J. Hare vs Jack Eaglesfield; Myron Kolm vs George Starbuck; Clifford Marsh, Buffalo,

vs Sam Hardy, New York; Isador Adler vs Henry Wick, Cleveland;

Although Jack Dempsey, world's heavyweight champion won a referee's decision over Tommy Gibbons, of St. Paul, in their 15-round fight at Shelby, Mont., July 4, it wasn't by such a large margin. There were several rounds in which it seemed a new champion would be crowned. In the above picture Gibbons is shown tearing into Dempsey in the second round. He showered him with rights and lefts to the body and face.

Mrs. Crowley Is Out  
With Facts In Case

"More words can hardly express my feelings of gratitude to the Tanlac treatment, for it made me feel like a different person entirely," was the statement made recently by Mrs. Lester Crowley, of 1231 Tewart Ave. Vincennes, Ind.

"For three or four years I endured no end of misery from stomach trouble. Even the lightest foods would cause gas to form so badly that I would suffer for hours after eating and I got in such a run-down condition that I had a nervous breakdown. I had awful headaches and weak spells, lost weight and got to where the care of my house and

two children was almost beyond my strength.

"Six bottles of Tanlac ended the indigestion, headaches and nervousness completely and made me so strong that I keep going all day now and never tire out. I'll never miss a chance to praise Tanlac; it's the best medicine made."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

## HITS HOMER WITH TWO ON

McCarty Helps Rushville Defeat  
Greenwood Here Sunday, 6 To 1

The Rushville base ball club got back in the win column Sunday afternoon when they defeated the Greenwood team, 6 to 1, in a game that was well played, and featured the steady pitching of Behnke who allowed only on hit.

McCarty for the locals slammed out a home run over the fence, and the two runners ahead of him scored which accounted for a three run lead early in the game for Rushville. The local club had many of the old time Tail Light players back in their line-up, and the club owners are not decided as to the future disposition of the team, and sell the lumber in the grand stands. Poor patronage, due to the popularity of oy riding, is said to be the cause of little business.

Goshen A skeleton was unearthed by workmen at a gravel pit near here. Investigation by the coroner showed that it had been buried many years.

Pictures of Fight Are  
Delivered by Air Mail

Mats of the Dempsey-Gibbons fight, from which plates are made for publication, were received by air mail here Saturday at the Daily Republican office and one of the pictures is published elsewhere on this page. The mats were delivered by airplane from Salt Lake City to Chicago and made the remainder of the journey by rail. They traveled a distance of 2,057 miles in fifty hours, making the average speed 41 miles an hour. The mats were mailed at Salt Lake July 5 at 1 p. m. and arrived here July 7 at 3:20 p. m.

The NEA Service, Inc., which supplies the Republican with news pictures and cartoons, had an army of staff photographers at the arena.

## ARLINGTON GETS REVENGE

Defeats New Palestine Sunday on  
Own Grounds, 3 to 0

The A. A. C. baseball team, after losing three straight games, got revenge Sunday when they defeated the New Palestine team at New Palestine, 3 to 0. The battery for New Palestine was Rishaupt and Hutchinson. For Arlington the battery was Ormes and Tyler.

Arlington had several new players in their line-up and was much strengthened. New Palestine could do nothing with Ormes' fast ball. Next Sunday the Arsenal Reserve team of Indianapolis will play the A. A. C.'s at Arlington.

## The Score Board

Rigney, Detroit shortstop, fumbled a hit ball which should have been the third out in the ninth and the Athletics scored three runs beating the Tigers 7 to 5.

Continuing their playful custom of treating the Giants roughly the Cincinnati Reds pounded three pitchers, collected three circuit slouts and won the second straight game, 5 to 3.

Sam Jones replaced Bullet Joe Bush in the ninth when the St. Louis Browns uncorked a hitting rally and saved the game for the Yankees 6 to 4.

The Cleveland Indians made it four straight from the Boston Red Sox 15 to 10. Each team gathered 19 hits.

Allowed only five hits by Walter Johnson, the Chicago White Sox made each blow count and defeated the Senators 4 to 2.

The St. Louis Cardinals bumped Barleigh Grimes for a dozen hits and shut out the Brooklyn Robins 4 to 0.

Cobb Real B. B. Superman

By PAUL R. MALLON

New York, July 9—Tyrus Cobb, more or less successful trainer of a fiery bunch of real Bengal Tigers out in Detroit, probably will be breaking baseball records when all the sport writers are in the old men's home.

Cobb came up to Michigan from the Georgia pines eighteen years ago. Since that time he has corralled the following records.

Most home runs, 1,741.

Most games played in the American League, 2,304.

Most years played in the league, 18.

Greatest number of hits, 3,266.

Greatest American League number in total bases, 4,566.

Highest lifetime American League batting average, around .375.

American League record for extra base hits.

Batted .300 or better for three seasons consecutively.

Batted .400 or better for three seasons.

Made 200 or more hits per season for 17 consecutive seasons.

That's not a bad record for a man to retire on. He has smashed previous marks held by Willie Keeler, Honus Wagner, Jess Burkett and other famous stars. But Cobb isn't preparing to retire. Some days ago he was batting .335, and enjoying it.

There have been remarkable records for time and endurance, but Cobb seems to have broken most of them. Old timers like Joe McGinnity, Jess Willard and Fred Merkle have staged "come-backs", but Cobb never went anywhere he could come back from.

Logansport—It cost Logansport \$48.34 for every school student the past year according to D. W. Horton, superintendent.

The Schrichte Monumental Works

FOUNDED 1859 — THE 64th YEAR

Display Rooms and Works, 117-121 S. Main St. Rushville, Ind.

Mr. and Mrs. Albert Winship had as their dinner guests Sunday at their home in North Main street, Mr. and Mrs. George Jeffries and Rush Budd, of Newcastle, Ind.

The Ladies Aid Society of the First United Presbyterian church will meet Tuesday afternoon at 2:30 o'clock at the home of Mrs. L. H. Elliott, 343 West Seventh street.

The Westminster class of the First Presbyterian church will meet Tuesday evening at the home of Mrs. John Boyd in Circleville. All the members are invited to this meeting.

Mr. and Mrs. Henry Alsop will entertain the members of the Progressive Boosters class of the First Baptist church tonight at their home in West Fifth street. All members are urged to attend this meeting.

There will be a call meeting of the Bethany Girls' class of the First Presbyterian church Tuesday afternoon at two o'clock at the home of Mrs. W. W. Weakley in North Harrison street. As this meeting is very important, all members are requested to be present.

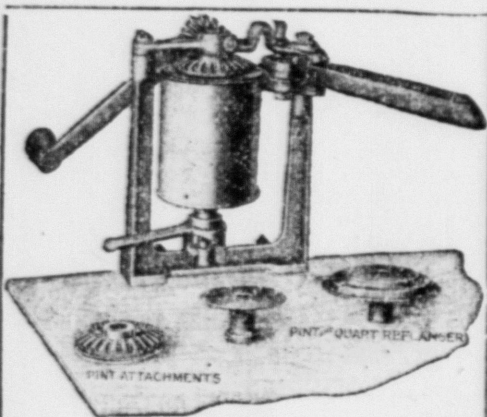

Miss Mildred Meyers, living southwest of the city, is a member of a party of school teachers from Seymour and New Richmond, Ind., who are making a sight seeing tour of interesting points in the East. They will go gone for sixty days and will visit New York City, Washington, D. C. and other cities in the east. Miss Meyers was an instructor in the Seymour high school last year.

Approximately sixty people attended the picnic for the former pupils of No. 9 school, Rushville township, Sunday, held at Webb's Ford southwest of the city. At the noon hour a bountiful picnic dinner was served and was enjoyed by everyone present. In the afternoon a short business meeting was held, during which officers were elected. Mrs. Fred Kelso of Greenfield, being re-elected president; Mrs. Chase Ruddle, secretary-treasurer, program committee, Mrs. Donnie Hilligoss, Mrs. Elsa Hilligoss and Mrs. Robert Hinshaw; entertainment committee, O. M. Gardner, Chase Ruddle and D. M. Hilligoss. It was also decided to hold the picnic next year at the Webb consolidated school building in Rushville township. Following the business meeting a short program of readings and recitations was given and the remainder of the afternoon was spent in games and social activities. Refreshments of

Mrs. Charles Green will be hostess to the members of the Tuesday Evening Bridge club Tuesday evening at her home in North Main street.

### Lieut. Maughan, Down to Dusk Flier, Forced Down in Missouri

Continued From Page One  
schedule: Dayton, Ohio; St. Joseph, Mo.; Cheyenne, Wyo., and Saldure, Utah. At each of these Maughan will have a brief rest from the strain of flying while trained mechanics, sent on ahead will shoot gasoline and oil into the airplane's tanks without wasting a minute. The plane has a 160 gallon tank which carries a combination of gasoline and benzol.

Lieutenant Maughan had less than four hours sleep before setting out. He was up until midnight making last minute preparations and receiving weather reports. A little group of flying students, attaches of Mitchell Field and newspapermen saw him off.

The motor was humming true as the little plane vanished into the west, and gave promise that the airman's hope would be fulfilled.

The schedule upon which Lieutenant Maughan had planned included arrival, for a twenty minute stop in each instance at:

Dayton Ohio 6:45 a. m.; St. Joseph Mo., 10:30 a. m. (central time); Cheyenne Wyo., 1:15 p. m., (Mountain time); Saldure Ut., 3:35 p. m. (Pacific time);  
Chrissy Field, San Francisco, 7:05 p. m., (Pacific time).

### AMUSEMENTS

#### Melodrama at The Mystic

What many noted writers and motion picture critics declare to be one of the best melodramatic film plays of the season "Bulldog Drummond," is at the Mystic theatre today and Tuesday. It is an adaptation by "Sapper" of the stage play of the same name which had such a successful run on Broadway. The cast is headed by Carlyle Blackwell and Evelyn Greeley, supported by such excellent players as Gerald Deane, Harry Bogarth, Horace Devere, Warwick Ward, William Browning and Dorothy Fane.

The story takes place in England, where most of the scenes were filmed, and deals with a demobilized army captain who after the thrill and excitement of trench life finds lolling around in a dinner coat and going to tea parties very boring and monotonous. He puts an ad in the paper asking for employment which promises plenty of excitement and even crime if it is of an adventurous and humorous nature.

### SAFETY SAM

He who looks this way and that, Whate'er the crossing he is at, Will live to look another day, Or is more likely to, I'd say.

### ODD FELLOWS NOTICE

Every Odd Fellow is urged to attend the regular meeting Wednesday evening. Installation of officers and reception for new members will be held and refreshments will be served.

PAINTING BY SPRAY—Something new. Demonstration can be seen at Reeds Elevator Tuesday morning.

### THE OLD HOME TOWN

# Hargrove & Brown, Druggists

RUSHVILLE, INDIANA

## THREE HELD IN LIQUOR CASES

**James Cranley Held for Transporting Whiskey After Being Found With 42 Quarts**

**CAR BELONGS AT SOUTH BEND**

**Frank Whitton and John Ricker Arrested For Public Intoxication Sunday Afternoon**

Liquor law violations caused considerable disturbance over the weekend, and which resulted in three arrests, and the confiscation of 42 quart bottles of Canadian whisky and an automobile used in transporting the liquor.

Those arrested were James Cranley, of Indianapolis, formerly of this city, Frank Whitton and John Ricker, both of this city.

An automobile, with the certificate of title showing it belonged to the "U-Drive-It Company", South Bend, is being held by the officers in connection with the arrest of Cranley. The other two men were charged with being intoxicated, and will be arraigned in police court.

The machine belonging to the South Bend firm was parked in East Second street, on the north side of the court house about 11 o'clock Saturday night. Cranley was said to have been intoxicated and was at the wheel of the machine, and caused suspicion because of his actions.

Two others were seen about the machine, one a local man, who escaped.

Clyde Kitchen, captain of the Anderson township branch of the horse thief detective association, was passing and noticed the machine, and he went over to arouse Sheriff Hunt. While he was gone, the matter was called to the attention of Police Chief Blackburn and he reached the machine and placed Cranley under arrest.

An investigation of the machine by the officers revealed 42 quarts of "imported" liquor. Twenty-seven bottles were in one sack and 15 in another, and they were placed in the rear seat. Another bottle was practically empty, from which the three men were suspected of having drunk.

In jail today, Cranley stated that he got with the machine at Indianapolis, and did not know where the liquor came from, and said that he did not know the name of the third person in the party.

The name of the Rushville man was being withheld by the officers, pending his arrest. The officers wired the South Bend firm the fact that the machine was being held, and the owner of the firm which rents machines by the hour, will be here Wednesday.

He told the sheriff over the telephone that it was rented to the Rushville person. The law in such cases provides that the machine containing liquor must be confiscated and sold, and the South Bend firm may experience some trouble in obtaining it.

Frank Whitton was placed in jail Sunday afternoon about four o'clock by Patrolman Lakin and Police Chief Blackburn, having been found near the Trempealeau coal yards intoxicated, according to the officers.

The police also stated that they found a quart bottle of liquor near the place where he was arrested, and a charge of unlawful possession was expected to be filed also.

John Ricker was found by the two police officers on East Second street, near the race bridge, about two hours later, and he was placed in jail on a charge of intoxication. These two men will probably be given a hearing tonight before Mayor Thomas, and the charges against Cranley will be filed in the circuit court.

The police also were called to the South Main street ball park Sunday night, where an alleged party was in progress, and when the police arrived, four men broke several bottles and made their escape down the river.

The names of the men were obtained, the police said, but no arrests were made, and the matter may be investigated.

## LEAVE FOR TRIP TO ALASKA

**William Matlock Joins Party of Boys at Detroit for Pilgrimage**

William Matlock, son of Mr. and Mrs. E. K. Matlock, of Circleville, who went to Detroit Saturday, expected today to leave with a party of fifty boys for a pilgrimage to Alaska, conducted by George E. Buchanan, a prosperous coal dealer of Detroit.

The party will go by rail to Vancouver and next Monday will board the S. S. Princess Louise for Skagway, Alaska. The Rushville boy is expected back home by the middle of next month. Young Matlock was graduated from the Rushville high school last spring and his father made arrangements for him to take this trip.

Mr. Buchanan was inspired to take the boys on this pilgrimage because of the value of a trip abroad when he was a young man, which was made possible through an offer by a friend to lend him the money.

## ATTORNEY GENERAL TO BE CONSULTED

**Horse Thief Detective Association To Seek Opinion Regarding Bonds For Constables**

### QUESTION RAISED AT MEETING

The Rush county company of the National Horse Thief Detective association decided, at a meeting in the court house Saturday night, to ask the attorney general of Indiana for an opinion regarding the ruling of the court attorney here, which interpreted the law to mean that members of the association appointed constables should provide bond.

Some doubt was expressed today whether the attorney general would give the local association an opinion, because under the law, he is required to give interpretation of laws only on request of state officials.

The county attorney, who is the legal advisor of the county board of commissioners, several weeks ago told the commissioners that members of the horse thief association who were appointed constables should give bond. He held that the same law applied in the case of constables who are appointed as in the case of those who are elected. Appointment of a large number of members at that time was withheld.

It is pointed out in the court house that if this is the law, scores of members who have been appointed constables are acting illegally until they provide bond.

## SEVEN DEAD AND 18 INJURED, SUNDAY TOLL

**Three Are Killed At Grade Crossing In Fort Wayne And Two Lose Lives At Evansville**

### ONE DEAD IN INDIANAPOLIS

Indianapolis, Ind., July 9.—A toll of 7 dead and 18 injured was taken by Sunday automobile accidents in Indiana.

At Fort Wayne a passenger train speeding sixty miles an hour struck an auto at a grade crossing, killing three persons and probably fatally injuring another.

The auto was hurled two hundred feet by the impact of the speeding train. Benjamin Ridder, his wife and her father, Earl Garrellin, Chicago, were killed instantly. Evelyn McCloskey, 3 years old, a niece of Mrs. Ridder, suffered injuries which physicians believe will prove fatal.

Two men were killed at Evansville when an auto crashed into a bridge. Dr. J. D. McCann, Monticello physician, was killed when his auto plunged over an embankment as he was returning from a professional call.

Clinton Williams, Indianapolis business man, died from injuries received when his automobile overturned on a city street.

Several persons were injured in minor auto accidents.

## SOME ALASKAN PICTURES YOU MAY EXPECT TO SEE SOON

## BOUGHT HER NO CLOTHING

**Mrs. Leota Readle Files Suit For Divorce From Roy Readle**

Alleging that her husband purchased no clothing for her whatever during their married life, Mrs. Leota Readle, 233 West First, has filed a suit for divorce in the circuit court from Roy Readle.

The complaint alleges that they were married in 1918 and separated in May of this year, and that he failed to provide. She also charged in the complaint that he failed to provide a home of their own this year, that he cursed her and was guilty of immoral conduct.

The case will be docketed for a hearing in the early part of the September term of court.

## CONTINUE NORTHWARD JAUNT ALONG COAST

**Pres. Harding and Members of His Party to Visit Wrangell and Juneau, Alaska Next**

### INDIANS IN PLEA TO HARDING

By LAWRENCE MARTIN (U. P. Staff Correspondent)  
With President Harding, Ketchikan, Alaska, July 9.—President Harding and members of his party today continued their northward jaunt along the coast of Alaska.

Wrangell and Juneau were the next two points to be visited.

Already Harding has gained an idea of conditions in sections of the territory which he could not have obtained otherwise. His first contact with Alaskan problems brought him a plea from the Indians for the abolition of exclusive fishing rights of canneries, which set traps in the creeks at Metlatlat, a fishing village, which the party visited yesterday, the first stop on the trip.

George Alexander, an aged Indian, voiced the plea of his people to the president. The Indian girls got the president to pose for a picture and held some exercises to show their accomplishments.

During the day, Mr. and Mrs. Harding celebrated their thirty-sixth wedding anniversary, receiving the congratulations of members of the party.

### FRENCH RATIFY TREATY

Paris, July 9.—Without reservations, the French chamber of deputies ratified unanimously today the Pacific accord sign at Washington November 1921 by Britain, France, Japan and the United States.

## LIEUT. MAUGHAN, DAWN TO DUSK FLIER FORCED DOWN IN MISSOURI

LIEUT. MAUGHAN (INSET) AND PLANE

(By United Press)  
St. Joseph, Mo., July 9.—Lieut. Russell Maughan, attempting a dawn-to-dusk flight, was forced down today at 1 p. m., ten miles northeast of St. Joseph, due to engine trouble.

In alighting, the landing gear of the light Curtiss pursuit plane was broken and no attempt will be made to complete the flight.

Indianapolis, Ind., July 9.—A small airplane believed to be the Curtiss pursuit plane piloted by Lieut. Russell Maughan on his daylight to dark transcontinental flight was sighted flying over the center of Indianapolis at 9:20 o'clock this morning.

The plane was flying low at a speed estimated at more than 130 miles. It headed due west from Indianapolis.

McCook Field, Dayton, Ohio, July 9.—Lieutenant Russell L. Maughan completed the first leg of his dawn to dark flight from New York to San Francisco when he landed his little Curtiss pursuit plane here at 9:12 a. m., today.

The aerial speed plane was two hours and 27 minutes behind his schedule which called for a landing here at 6:45 a. m.

Maughan's schedule gave him twenty minutes here for re-fueling but he was so far behind that every effort was put in to re-fueling his plane and getting it started for the next stop at St. Joseph Mo.

The distance from Mitchell Field to McCook is 570 miles and Maughan flew it in five hours and four-

teen minutes by his own watch. Maughan took off for St. Joseph at 9:32 a. m. McCook Field officials said the official time of his arrival here would be recorded at 9:10 a. m.

As the lieutenant stepped out of the cockpit hundreds cheered his arrival and mechanics began pouring in the fuel for the next leg of his flight.

A careful examination showed the little plane had been equal to the first test.

The take off for the west was perfect. The Curtiss "bullet" seemed to hurl itself into the air and disappeared in the distance almost instantly.

Mitchell, Field, Mineola, L. I., July 9.—Lieutenant Russell L. Maughan flew with the dawn today headed for the Pacific coast which he hopes to reach before it is sunset there.

The speedy Curtiss pursuit plane in which the army pilot is attempting the first coast to coast "dawn to dark" flight shot upwards from the "drome's" smooth level exactly at 4:58 eastern daylight saving time.

Circling Mitchell Field at a height of about 500 feet it headed westward into the semi-darkness as though fleeing from the first signs of the sun pushing up over the Atlantic.

Favorable weather conditions were forecast.

The plane in which Maughan flew is capable of 172 miles an hour and the airman hopes to average 160. The distance he will cover is approximately 2,570 miles.

Four stops for fuel were on the

## BOARD, COMMITTEES TO MEET

**Chautauqua Officials to Make Final Plans For Assembly**

The board of directors of the Rush County Chautauqua association, the program committee and other committees will meet at the Farmers Trust company Tuesday evening at seven-thirty o'clock to make final preparations for the annual Rush county chautauqua which will be held in the coliseum at the city park August 5 to 11 inclusive.

One of the problems that the board has to solve is where to locate the fence that always enclose the ground around the coliseum. The fence was taken down by the city council last fall and the association will have to rent a fence this year. It is not expected that so much of the park will be enclosed as formerly, so as to leave most of the playground equipment free for anyone to use.

## BACK FROM YEAR'S STUDY IN EUROPE

**Earl Marlatt, Former Rushville Teacher, Had Travelling Scholarship With Boston University**

### COMING HERE THIS SUMMER

Earl Marlatt, former Rushville high school instructor, landed Saturday in New York from a year's stay abroad, where he had a travelling scholarship with the University of Boston. Mr. Marlatt will be in Boston for a few days and then will go to Winchester, Ind., for a visit with his mother. He will probably spend some time here this summer.

Mr. Marlatt had the choice of becoming a full time instructor in the theological school of the University of Boston or a part-time instructor with the privilege of finishing his work for a Ph. D. degree, but he has chosen to devote all of his time next year to teaching.

The former Rushville man sailed for Europe the latter part of June 1922, and spent the year studying in France, England and other European countries. The last several weeks before returning to this country, he studied in Oxford.

Mr. Marlatt was free to come and go as he pleased, not being compelled to remain at any university any given length of time. Each foreign professor under whom he studied was asked to make a statement regarding his work to be presented to the University of Boston professors.

## JEW EVANGELIZATION SUBJECT OF SPEECHES

**Representatives of New Covenant Mission Speak in Rushville Pulpits Sunday**

### SUM OF \$36 IS CONTRIBUTED

The Rev. E. M. McFadden, D. D., executive secretary of the New Covenant Mission of Pittsburgh, Penn., and Miss Elsie Wade Stone, extension secretary of the mission, spoke in Rushville pulpits Sunday in the interest of evangelization of the Jews in America, the series of addresses culminating in a union meeting at the Main Street Christian church Sunday evening, when the Rev. Mr. McFadden spoke to an interested audience on "Some Trophies of God's Grace."

Collections taken at the various churches, at which services were in charge of the mission workers, amounted to approximately \$36. Dr. McFadden and Miss Stone came here direct from Pittsburgh and returned there today, so that it is doubtful if the free will offering paid their expenses.

Dr. McFadden spoke in the morning at the First United Presbyterian church on "The Children of The Restless Feet" and at the same hour Miss Stone spoke at the First Presbyterian church on "The Christians' obligation to The Jew." At a community service in the afternoon Dr. McFadden spoke on "Lessons From a Storm."

The mission is not supported by any church, but is non-sectarian.

## BODY FOUND IN BASKET ON LAKE

**Lifeless Form Of Lieut. L. J. Roth, Missing Balloonist, Located 14 Miles Off Port Stanley**

### EXPOSURE CAUSES HIS DEATH

**Unidentified Body Found Floating in Lake Near Point Pelee, Ont., May Be His Aid**

(Written for United Press)  
Point Pelee, Ont., July 9.—The body of an unidentified man was found floating on the Canadian shore here shortly before noon today.

There was some belief that the body was that of Lieut. T. B. Null, missing from the wrecked balloon, A-6689.

The man was dressed in a blue shirt and wore army shoes. He was about five feet, seven inches, in height, and from appearances had been in the water about a day and a half, according to authorities who examined the body.

Port Stanley, Ontario, July 9.—Floating in the basket of the ill-fated U. S. balloon, A-6698, the body of Lieut. L. J. Roth was found fourteen miles off Port Stanley at 10 a. m. today.

The body and the basket were found by the Canadian fish boat Onajag.

The body was found in the basket with head and shoulders hanging over the side. The body was clad only in underwear and a life preserver.

Identification was made possible by laundry marks on the underwear. The initials of "L. J. R." stood out plainly. A ring was found on the left hand.

Belief that the men had been able to float away from the balloon, after it settled to the water, was born out by finding the basket.

By Lieut. Roth's body being found with the life preserver, authorities believed they would find that of Lieut. Null, floating somewhere in the vicinity of where the basket was picked up.

There is a possibility that Lieut. Null will be found alive, if he was able to withstand hunger and exposure, authorities said. Although Lieut. Roth's body had not been examined by physicians, it was believed that death came as a result of exposure and hunger, as the head and body were clear of the water.

The men had not eaten since they left Indianapolis, July 4, it was indicated by untouched tubes of food, found in the rigging of the balloon, when it was picked up 25 miles off shore Saturday night by the tug, Frank H. Stanley.

### Fallen Balloon Recovered

Cleveland, July 9.—In a final attempt to find the two missing naval balloonists whose gas bag was found in Lake Erie Saturday, two army aviators started from Glenn L. Martin Field here at 4 a. m. today.

They planned to zig-zag back and forth across the lake to Buffalo and then follow the Canadian shore westward.

They were Sergeant R. C. Mitchell and George Pomeroy, of Selfridge Field, Mount Clemens, Mich., and manned a fast deHavilland scout plane.

The fallen balloon, A-6698, was recovered from the Lake 25 miles southwest of Port Stanley, Ont., Saturday night. Clothing, provisions, instruments and personal effects of Lieutenants L. J. Roth and Telford B. Null, who started in the balloon race from Indianapolis July 4 were found tangled in the rigging.

The non-sinkable passenger basket and life preservers were not found. This fact furnished the one slender hope of the rescuers that the balloonists might still be floating on Lake Erie.

Meanwhile submarine chaser No. 432 was awaiting a crew today to join the search. The eleven passenger hydroplane Nina in Cleveland and her sister ship, the Buckeye at Detroit were prepared to join the search.

### WOMAN TO DIE IN CHAIR

New York, July 9.—Mrs. Anna Buzzi was today sentenced to die in the electric chair for the murder of Fredrick Schneider, wealthy contractor with whom she had lived eight years.

**S.S.S. stops Rheumatism**

"My Rheumatism is all gone. I feel a wonderful glory again in the free motion I used to have when my days were younger. I can thank S.S.S. for it all! Do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. S.S.S. is waiting to help you. When you increase the number of your red-blood-cells, the entire system undergoes a tremendous change. Everything depends on blood-strength. Blood which is minus sufficient red-cells leads to a long list of troubles. Rheumatism is one of them." S.S.S. is the great blood-cleanser, blood-builder, system strengthener, and nerve invigorator. S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

If Stomach Is Sour, Food Won't Digest

No stomach filled with sour poisons can digest food. Everything you eat turns into more poison and gas, making you nervous and weak. Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, expels all sour poisons and gas from BOTH upper and lower bowels. Removes foul, decaying food-matter you never thought was in your system which caused sour and gassy stomach. Adlerika is EXCELLENT to guard against appendicitis. Hargrove & Brown, Druggists.

NOTICE OF ADMINISTRATOR'S SALE OF RUSHVILLE RESIDENCE PROPERTIES

H. Lee Wilson, as administrator of the estate of Harriet M. Maunz, deceased, will, pursuant to the order of the Circuit Court of Rush County, Indiana, offer to sell at private sale on TUESDAY, JULY 31, 1923, at 1:00 o'clock p. m., at the law office of Douglas Morris, in Miller Law Building, in Rushville, Rush County, Ind., the following described real estate, located in the City of Rushville, in Rush County, Indiana, to-wit:

The south half of lot numbered thirty-one in George C. Clark's First Addition to the town (now city) of Rushville, OFFER AS A WHOLE AND IN TWO PARCELS.

There are two residences on said realty. One consists of ten rooms, located on a strip 45 feet wide off of the south side of said tract, and the other consists of 5 rooms located on the remainder of the tract, and said two parcels will be offered for sale separately, and as a whole.

The 10 room house is double with 5 rooms on each side and with back porches and bath. The five room house has bath and electric light.

Both houses are constructed of excellent material, are in good repair, and located in desirable residence district of city—720 to 724 North Perkins street. If not sold on said day, offer will be continued from day to day, until sold.

TERMS—One-half cash; remainder due in 12 months, secured by first mortgage. Purchaser has option of paying all cash. Property sold free of liens, except taxes of 1923, payable in 1924.

**BIBLE THOUGHT**  
**—FOR TODAY—**  
 Bible Thoughts memorized, will prove a  
 precious heritage in after years.

THE WHOLE HEART.—Blessed are they that keep His testimonies, and that seek Him with the whole heart.—Psalms 119: 2.

**Don't Wait on George**

This is not a bad community, as communities go. We all admit it and are proud of it.

But there is one fly in the community ointment that prevents us from advancing as rapidly as we should.

Everybody is willing to have things done, but wants to "let George do it," and when George reaches a certain point he balks. He gets tired of carrying the whole load.

What we need is a great spirit of co-operation, a willingness on the part of each one to do his or her share in the advancement of our community interests.

In every community there are always a few who are willing to work for the public good. They are the Georges.

There are also a lot of others who are willing to let them do it. They are not Georges.

Once in awhile we read of some place that keeps booming and showing right along regardless of conditions or handicaps.

Such a place is full of Georges, and because the Georges are so numerous none of them are overworked and there is no occasion for balking.

Why can't we all be Georges? There is room for improvement, and we have plenty of people to be one.

**Showing Their Teeth**

Now they are beginning to show their teeth.

Certain foreign governments are beginning to grumble and intimate that grave possibilities will ensue as a result of compelling alien ships to obey our booze laws when they enter American ports.

Are these rumblings veiled threats—an attempt to intimidate the government and people of the United States?

If so, the sooner our government meets the issue head-on the better it will be for us.

We obey the laws of foreign governments when we enter their jurisdiction.

They must do the same when they come within ours.

No backing up for Uncle Sam. His boot is too big.

**Protecting Consumer And Investor**

The United States supreme court has recently rendered a decision of great importance as effecting the future development of public utility properties. The opinion establishes the principle that "cost of reproduction at prevailing prices must be considered in fixing rates." This decision more than anything else does away with the bogaboo of watered stock which politicians parade before the people in a vote-getting campaign. When rates are based on the cost of the property, so-called watered stock is automatically eliminated.

To maintain its own financial standing and credit, a utility cannot afford to be loaded with watered stock, for with rates apportioned to the reproduction cost of its plant it cannot pay dividends on money not actually invested. Hence its return to stockholders would be unsatisfactory and it would immediately find itself in difficulties. The supreme court expresses the opinion that it is

impossible to determine a fair return on the investment without considering the reproduction cost at the time on the ground that if present reproduction cost is disregarded, an intelligent forecast of probable future values becomes impossible for estimates for tomorrow cannot overlook the prices of today.

**The Hodge - Podge**  
 By a Paraphraser with a Soul

Our national income for 1923 will exceed expenses by a quarter of a million, which sounds like getting back to normalcy.

Success generally consists in getting what you want after you can no longer enjoy it.

Favors when you don't need them are about as abundant as the cherry crop is this year.

At least one thing can be said for a crawfish—he has sense enough to back out when he gets in a tight place.

The Turks and the allies are reported to be in complete accord. But no telling what tomorrow's cables may bring.

Lots of folks get away from the old grind by buying a new set of false teeth, but even that foots up like a week at the lakes.

P. T. Barnum made that famous remark even before the summer resort folder was in vogue.

**PLAN A ROUSING MEETING**

Odd Fellows to Install Officers and Receive Candidates Wednesday

Arrangements are being made for a rousing meeting by Franklin Lodge No. 35 I. O. O. F. next Wednesday evening when the officers for the term are installed and candidates will also be received at the same time.

The Rev. Gibson Wilson, pastor of the First Presbyterian church, will transfer his membership here from Bremen, Ohio and it is expected that he will address the lodge during the evening. Mr. Wilson has been an active worker in the order in Ohio and has held the office of Grand Chaplain of that state.

Plans for the fall work will be discussed and every member is being urged to attend. A committee on refreshments will look after that feature of the program.

**FIFTEEN YEARS**  
**AGO TODAY**

From The Daily Republican Thursday, July 9, 1908

Harry Striker of South Harrison street, a freight conductor on the I. & C. line, suffered a mashed foot while loading freight, a heavy truck falling on him. He will be laid up for several days.

A severe attack of old fashioned, green apple cramps was all that saved the family of Joseph Lakin of West Water street from being burned alive at an early hour this morning. While Lakin had partaken heavily of the children's forbidden fruit during the evening and as a result awoke at two o'clock this morning, giving a yell that aroused the entire household. Mrs. Lakin was the first to leave her bed and was horrified to find the room filled with smoke. Her husband arose and fighting his way through the room made an effort to locate the fire while the mother attended the child. It was found that the contents of an old bureau were all in flames and on opening one of the drawers flames several feet in length shot out. It required some effort to extinguish the fire. All are laud in their praise of the green apples today.

While swinging a stick at play Miss Jessie Anderson, a popular young lady living south of this city, accidentally struck herself in the right eye yesterday afternoon.

and for a time it was thought her eyesight was ruined. However, it causes her much pain and it will be sometime before she recovers from the accident.

Nobody was more alarmed this morning than Cyril Caron, the little son of Mr. and Mrs. Charles Caron of North Perkins street, when he turned in the fire alarm and saw people running and shouting and vehicles of all sorts, including the fire department wagon racing to the spot where he was standing. For some reason or another the alarm box on the corner of Perkins and Second streets had been left open for several days. It was the most natural thing in the world for a young American to experience an impulse to pull "that" little lever which causes the fire bell to ring. Answering the curious call in his heart Cyril did pull it and on hearing the bell ring a smile of satisfaction beamed on his countenance. But when the people began to run and hurry to an fro the lad was perplexed. The boy never said a word. He just stood and looked first at one group and then another. The last seen of him he was going in his home with his hat off, head drooped and the words of a mother ringing in his ears: "You're a bad boy and you will have to stay in the house the rest of the day."

Mr. and Mrs. Robert E. Mansfield who have been located at Lucerne Switzerland, have sailed for the States on the Steamship, St. Louis which is scheduled to arrive in New York Saturday. Mrs. Mansfield will come to Rushville and Mr. Mansfield

who has been transferred in the consular service, will attend to official business and after a brief visit will return to the old country.

Claude Cambern and Albert Winship formed a squirrel hunting party at the Omer Stevens farm, south of this city, today.

**A GOOD FRIEND**

A good friend stands by you when in need. Rushville people tell how Doan's Kidney Pills have stood the test. John Heany of 616 W. 3rd St., Rushville, endorsed Doan's many years ago and again confirms the story. Could you ask for more convincing testimony?

"I had trouble with my kidneys and the secretions passed too frequently and I had to get up several times during the night," says Mr. Heany. "It was painful to pass the secretions which were highly colored and contained sediment. My back was weak and lame. I got a box of Doan's Kidney Pills at Johnson & Co.'s Drug Store and they relieved me." (Statement given August 25, 1915.)

On November 4, 1920, Mr. Heany added: "I still have the same high opinion of Doan's Kidney Pills. I use them occasionally and always get the same results."

60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## NOTED STARS TO PLAY IN TOURNEY

William T. Tilden and John Hennessey Scheduled For First Matches in Clay Court Play

### OPENS IN INDIANAPOLIS

Woodstock Courts Are in Excellent Condition, With Entry List Largest on Record

(By United Press)  
Indianapolis, Ind., July 8.—With William T. Tilden and John Hennessey scheduled to play in the first matches of the tournament, the thirteenth annual clay court tennis championship tourney was to start at the Woodstock courts this afternoon.

Tilden will meet Claude Watkins of Louisville in the first match, while Hennessey will meet T. Eggman of St. Louis in the second event.

The keenest competition of the afternoon card is expected when J. B. Adone, Jr., of Texas and Gerald Emerson of Milwaukee, meet.

The Woodstock courts are in excellent condition. Teams from Louisville and Cincinnati arrived early and tried out the court yesterday afternoon.

The entry list for the tournament is the largest a national clay tourney committee has ever had to draw from for first round matches.

The list of matches for this afternoon's play follows:

#### 2 P. M.

William T. Tilden vs. Claude Watkins; Louisville; J. Hare vs. Jack Eaglesfield; Myron Kolm vs. George Starbuck; Clifford Marsh, Buffalo,

vs. Sam Hardy, New York; Isador Adler vs. Henry Wick, Cleveland;

## Mrs. Crowley Is Out With Facts In Case

"More words can hardly express my feelings of gratitude to the Tanlac treatment, for it made me feel like a different person entirely," was the statement made recently by Mrs. Lester Crowley, of 1231 Tenth Ave. Vincennes, Ind.

"For three or four years I endured no end of misery from stomach trouble. Even the lightest foods would cause gas to form so badly that I would suffer for hours after eating and I got in such a run-down condition that I had a nervous breakdown. I had awful headaches and weak spells, lost weight and got to where the care of my house and

two children was almost beyond my strength.

"Six bottles of Tanlac ended the indigestion, headaches and nervousness completely and made me so strong that I keep going all day now and never tire out. I'll never miss a chance to praise Tanlac; it's the best medicine made."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

## HITS HOMER WITH TWO ON

McCarty Helps Rushville Defeat Greenwood Here Sunday, 6 To 1

The Rushville base ball club got back in the win column Sunday afternoon when they defeated the Greenwood team, 6 to 1, in a game that was well played, and featured the steady pitching of Behnke who allowed only one hit.

McCarty for the locals slammed out a home run over the fence, and the two runners ahead of him scored which accounted for a three run lead early in the game for Rushville. The local club had many of the old time Tail Light players back in their line-up, and the club owners are not decided as to the future disposition of the team, and sell the lumber in the grand stands. Poor patronage, due to the popularity of ox riding, is said to be the cause of little business.

Goshen a skeleton was unearthed by workmen at a gravel pit near here. Investigation by the coroner showed that it had been buried many years.

## Pictures of Fight Are Delivered by Air Mail

Mats of the Dempsey-Gibbons fight, from which plates are made for publication here Saturday at the Daily Republican office and one of the pictures is published elsewhere on this page. The mats were delivered by airplane from Salt Lake City to Chicago and made the remainder of the journey by rail. They traveled a distance of 2,057 miles in fifty hours, making the average speed 41 miles an hour. The mats were mailed at Salt Lake July 5 at 1 p. m. and arrived here July 7 at 3:20 p. m.

The NEA Service, Inc., which supplies the Republican with news pictures and cartoons, had an army of staff photographers at the arena.

## ARLINGTON GETS REVENGE

Defeats New Palestine Sunday on Own Grounds, 3 to 0

The A. A. C. baseball team, after losing three straight games, got revenge Sunday when they defeated the New Palestine team at New Palestine, 3 to 0. The battery for New Palestine was Rishaupt and Hutcheson. For Arlington the battery was Ormes and Tyler.

Arlington had several new players in their line-up and was much strengthened. New Palestine could do nothing with Ormes' fast ball. Next Sunday the Arsenal Reserve team of Indianapolis will play the A. A. C.'s at Arlington.

## The Score Board

Riney, Detroit shortstop, fumbled a hit ball which should have been the third out in the ninth and the Athletics scored three runs beating the Tigers 7 to 5.

Continuing their playful custom of treating the Giants roughly the Cincinnati Reds pounded three pitchers, collected three circuit slouts and won the second straight game, 5 to 3.

Sam Jones replaced Bullet Joe Bush in the ninth when the St. Louis Browns uncorked a hitting rally and saved the game for the Yankees 6 to 4.

The Cleveland Indians made it four straight from the Boston Red Sox 15 to 10. Each team gathered 19 hits.

Allowed only five hits by Walter Johnson, the Chicago White Sox made each blow count and defeated the Senators 4 to 2.

The St. Louis Cardinals bumped Burleigh Grimes for a dozen hits and shut out the Brooklyn Robins 4 to 0.

Washington at Chicago, clear, 3 p. m. daylight.  
Boston at Cleveland, clear 3 p. m. standard.

## Cobb Real B. B. Superman

By PAUL R. MALLON  
New York, July 9.—Tyrus Cobb, more or less successful trainer of a fiery bunch of real Bengal Tigers out in Detroit, probably will be breaking baseball records when all the sport writers are in the old men's home.

Cobb came up to Michigan from the Georgia pines eighteen years ago. Since that time he has corralled the following records:

Most home runs, 1,741.  
Most games played in the American League, 2,364.  
Most years played in the league, 18.  
Greatest number of hits, 3,269.  
Greatest American League number in total bases, 4,566.  
Highest lifetime American League batting average, around .375.  
American League record for extra base hits.

Batted .300 or better for three seasons consecutively.  
Batted .400 or better for three seasons.  
Made 200 or more hits per season for 17 consecutive seasons.  
That's not a bad record for a man to retire on. He has smashed previous marks held by Willie Keeler, Honus Wagner, Jess Barkett and other famous stars. But Cobb isn't preparing to retire. Some days ago he was batting .335, and enjoying it.

There have been remarkable records for time and endurance, but Cobb seems to have broken most of them. Old timers like Joe McGinnity, Jess Willard and Fred Merkle have staged "come-backs", but Cobb never went anywhere he could come back from.

Legs sport —It cost Legausport \$48.34 for every school student the past year according to D. W. Horton, superintendent.

FOUNDED 1859 — THE 64th YEAR  
Display Rooms and Works, 117-121 S. Main St. Rushville, Ind.

Mr. and Mrs. Albert Winship had as their dinner guests Sunday at their home in North Main street, Mr. and Mrs. George Jeffries and Rush Budd, of Newcastle, Ind.

The Ladies Aid Society of the First United Presbyterian church will meet Tuesday afternoon at 2:30 o'clock at the home of Mrs. L. H. Elliott, 343 West Seventh street.

The Westminster class of the First Presbyterian church will meet Tuesday evening at the home of Mrs. John Boyd in Circleville. All the members are invited to this meeting.

Mr. and Mrs. Henry Alsop will entertain the members of the Progressive Boosters class of the First Baptist church tonight at their home in West Fifth street. All members are urged to attend this meeting.

There will be a call meeting of the Bethany Girls' class of the First Presbyterian church Tuesday afternoon at two o'clock at the home of Mrs. W. W. Weakley in North Harrison street. As this meeting is very important, all members are requested to be present.

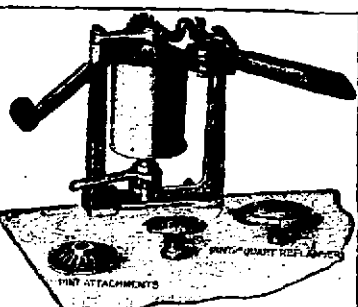

Miss Mildred Meyers, living southwest of the city, is a member of a party of school teachers from Seymour and New Richmond, Ind., who are making a sight seeing tour of interesting points in the East. They will go gone for sixty days and will visit New York City, Washington, D. C. and other cities in the east. Miss Meyers was an instructor in the Seymour high school last year.

Approximately sixty people attended the picnic for the former pupils of No. 9 school, Rushville township, Sunday, held at Webb's Ford southwest of the city. At the noon hour a bountiful picnic dinner was served and was enjoyed by everyone present. In the afternoon a short business meeting was held, during which officers were elected. Mrs. Fred Kelso of Greenfield, being re-elected president; Mrs. Chase Ruddle, secretary-treasurer, program committee, Mrs. Donnie Hillgoss, Mrs. Elsie Hillgoss and Mrs. Robert Hinchshaw; entertainment committee, O. M. Gardner, Chase Ruddle and D. M. Hillgoss. It was also decided to hold the picnic next year at the Webb consolidated school building in Rushville township. Following the business meeting a short program of readings and recitations was given and the remainder of the afternoon was spent in games and social activities. Refreshments of

ice cream and cake were served late in the afternoon.

The Sons of Veterans auxiliary will meet Tuesday afternoon at 2:30 o'clock at the G. A. R. hall. All officers are requested to be present.

Dr. and Mrs. Carl Beher will entertain with a dinner party this evening at their home in North Main street, honoring Dr. and Mrs. Walter Havens of Nevada.

The Men and Women's Bible class of the First Baptist church will meet Tuesday evening at the home of Clyde Heath, on rural route 5, and all members of the class are urged to attend.

Mrs. Lester Hanley and children of Pendleton, Oregon, Mr. and Mrs. Chester Bland and Miss Mary Meek of Indianapolis and Miss Gertrude McCorkle of Milroy were the guests of Anna Mary Cowan in Rushville Sunday.

Miss Margaret Herkless will entertain the members of the Psi Chi Xi sorority Tuesday evening at her home, 427 North Morgan street. Miss Virginia Haydon will be the assisting hostess.

Mr. and Mrs. Homer Roberts of New Salem entertained Sunday evening with a fried chicken dinner, honoring the birthday anniversary of Stanley Stewart. Covers were laid for Mont Stewart, the Misses Adda and Mildred Walters, Clifford Smiley, of this city, and Mr. and Mrs. Claude Stark of Indianapolis.

Mr. and Mrs. Lowell Norris delightfully entertained the members of the Social Country Club Friday evening at their home southeast of the city. All the members of the club and two guests, Mr. and Mrs. Albert Logan, were present for the meeting. An informal social evening was enjoyed by the guests and delicious refreshments were served at the close of the party.

The Missionary Society of the First Baptist church will be entertained Wednesday afternoon at two o'clock at the home of Miss Mary Stewart, 350 East Tenth street. The assisting hostesses will be Mrs. Ed Sharp, Mrs. J. C. Clore and Mrs. R. O. Stewart. The subject for discussion will be "Americanization." Several of the ladies of the Baptist church of Homer will be guests at this meeting.

Mr. and Mrs. Herman Jones were pleasantly surprised Saturday evening at their home in this city, by a number of their friends, honoring their seventeenth wedding anniversary. A delicious picnic supper was served to the guests, including the following out-of-town guests: Mr. and Mrs. Jacob Wilhelm and Mr. and Mrs. John Cochran of Greenfield and Mrs. Flo Downey of Morristown.

Mrs. Amy Pike of Glenwood and L. T. Hart of Connersville were quietly married Saturday evening at eight o'clock at the home of Mr. and Mrs. A. L. Chew in this city. The Rev. Gibson Wilson, pastor of the First Presbyterian church, performed the ceremony in the presence of only a few friends. Mr. and Mrs.

Hart will make their home for the present with Mr. and Mrs. A. L. Chew in West First street. Mr. Hart is the agent for the Watkins' Remedies Co., in this city.

Mrs. Charles Green will be hostess to the members of the Tuesday Evening Bridge club Tuesday evening at her home in North Main street.

### Lieut. Maughan, Down to Dusk Flier, Forced Down in Missouri

Continued From Page One  
schedule; Dayton, Ohio; St. Joseph, Mo.; Cheyenne, Wyo., and Saldure, Utah. At each of these Maughan will have a brief rest from the strain of flying while trained mechanics, sent on ahead will shoot gasoline and oil into the airplane's tanks without wasting a minute. The plane has a 160 gallon tank which carries a combination of gasoline and benzol.

Lieutenant Maughan had less than four hours sleep before setting out. He was up until midnight making last minute preparations and receiving weather reports. A little group of flying students, attaches of Mitchell Field and newspapermen saw him off.

The motor was humming true as the little plane vanished into the west, and gave promise that the airman's hope would be fulfilled.

The schedule upon which Lieutenant Maughan had planned included arrival, for a twenty minute stop in each instance at:

Dayton Ohio 6:15 a. m.; St. Joseph Mo., 10:30 a. m. (central time) Cheyenne Wyo., 1:15 p. m. (Mountain time), Saldure Ut., 3:35 p. m. (Pacific time.)

Chrissy Field, San Francisco, 7:05 p. m., (Pacific time).

### AMUSEMENTS

#### Melodrama at The Mystic

What many noted writers and motion picture critics declare to be one of the best melodramatic film plays of the season "Bulldog Drummond," is at the Mystic theatre today and Tuesday. It is an adaptation by "Sapper" of the stage play of the same name which had such a successful run on Broadway. The cast is headed by Carlyle Blackwell and Evelyn Greedy, supported by such excellent players as Gerald Deane, Harry Bogarth, Horace Dover, Warwick Ward, William Browning and Dorothy Fane.

The story takes place in England, where most of the scenes were filmed, and deals with a demobilized army captain who after the thrill and excitement of trench life finds lolling around in a dinner coat and going to tea parties very boring and monotonous. He puts an ad in the paper asking for employment which promises plenty of excitement and even crime if it is of an adventurous and humorous nature.

### SAFETY SAM

He who looks this way and that, Whate'er the crossing he is at, Will live to look another day, Or is more likely to, I'd say.

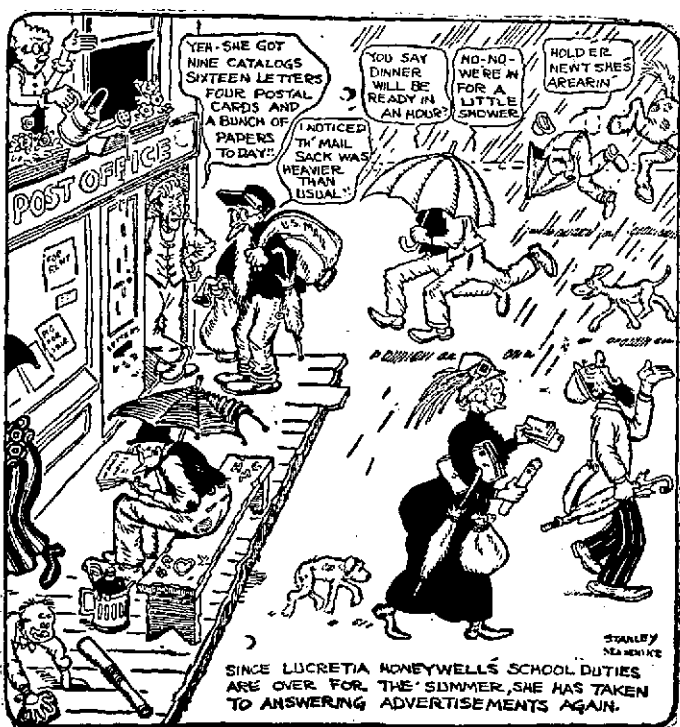

### ODD FELLOWS NOTICE

Every Odd Fellow is urged to attend the regular meeting Wednesday evening. Installation of officers and reception for new members will be held and refreshments will be served.

PAINTING BY SPRAY—Something new. Demonstration can be seen at Reeds Elevator Tuesday morning.
